2024 Ballot 4

Resolution number 4: The Trustees recommend that members approve the following recommended scale of age-related membership fees from January 2025.

Members up to and including 65 years of age:	200 Euro [168 GBP]
Members 66 - 75 years of age:	125 Euro [100 GBP]
Foreign members (all age categories):	200 Euro [168 GBP]
Members over 75:	Voluntary donations are welcomed but they are optional recommended minimum 40 Euros [35 GBP].

The Board of Trustees after careful consideration, decided that an increase to the recommended fees for 2025 was justified. This is a result of the recent very high period of inflation that we have seen across Europe, which has negatively impacted on the AE. But, please note that there has been no increase in the recommended level of membership payments [for over ten years!](#)
