

John Morton

Bibliography

Books

Morton, J. (Ed.) (1971). *Biological and Social Factors in Psycholinguistics*. Logos Press: London.

Morton, J. & Marshall J.C. (Eds.) (1977). *Psycholinguistics Series I: Developmental and Pathological*. London: Elek Press.

Morton, J. & Marshall J.C. (Eds.) (1979), *Psycholinguistics Series II: Developmental and Pathological*. London: Elek Press.

Johnson, M.H. & Morton, J. (1991), *Biology and Cognitive Development: The Case of Face Recognition*. Oxford: Blackwell.

De Boysson-Bardies, B., de Schonen, S., Jusczyk, P., McNeilage P. & Morton, J. (Eds.) (1993). *Developmental Neurocognition: Speech and Face Processing in the First Year of Life*. Dordrecht: Kluwer.

Butterworth, B., Morton, J., Snowling, M.J. & Warrington, E.K. (Eds) (1994). The acquisition and dissolution of language. *Philosophical Transactions of the Royal Society of London B*. Vol. 346, No. 1315, 1-127.

Green, D.W., Cooper, R., Johnston, A., Howell, P., Morton, J., van de Koot, H., O'Neill, D. & Burgess, P. (1996). *Cognitive Science - An Introduction*. Blackwell Publishers.

Morton, J. (2004) *Understanding Developmental Disorders: a Causal Modelling Approach*. Blackwell: Oxford.

Publications

Morton, J. (1959). An investigation into the effects of an adult reading efficiency course. *Occupational Psychology*, **33**, 222-237.

Carpenter, A. & Morton, J. (1962). The perception of vowel colour in formantless complex sounds. *Language and Speech*, **5**, 205-214

Carpenter, A. & Morton, J. (1962). Judgement of the vowel colour of natural and artificial sounds. *Language and Speech*, **5**, 190-204.

Carpenter, A. & Morton, J. (1963). Experiments relating to the perception of formants. *Journal of Acoustical Society America*, **35**, 475-480.

Morton, J. (1964). The effects of context on the visual duration of threshold for words. *British Journal of Psychology*, **55**, 165-180.

- Morton, J. (1964). A model for continuous language behaviour. *Language and Speech*, **7**, 40-70.
- Morton, J. (1964). A preliminary functional model for language behaviour. *International Audiology*, **3**, 216-225.
- Morton, J. (1964). The effects of context upon speed of reading, eye-movements and eye-voice span. *Quarterly Journal of Experimental Psychology*, **16**, 340-354.
- Morton, J. & Jassem, W. (1965). Acoustic correlates of stress. *Language and Speech*, **8**, 148-158.
- Morton, J. (1966). Discussion of Psycholinguistic Paper by J.P. Thorne - on hearing sentences. The Proceedings of the 1966 Edinburgh Conference. Lyons, J. & Wales, R.J. (Eds.), Edinburgh University Press.
- Morton, J. (1966). A two-hour reading course. *Nature*, **211**, 323-324.
- Morton, J. (1967). Population norms for sentence completion. (manuscript)
- Morton, J. (1967). A singular lack of incidental learning. *Nature*, **215** (No. 5097), 203-204.
- Morton, J. (1967). Comments on 'Interaction of the Auditory and Visual Modalities'. *Journal of Acoustical Society America*, **42**, 1342-1343.
- Morton, J. & Broadbent, D. (1967). Passive versus active recognition models, or, Is your Homunculus really necessary? In: Wathen-Dunn, W. (Ed.), *Models for the Perception of Visual Form*. MIT Press, 103-110.
- Jassem, W., Morton, J. & Steffen-Batog, M. (1968). The perception of stress in synthetic speech-like stimuli by Polish listeners. In: Nabitka (Ed.) *Speech Analysis and Synthesis*, 289-308.
- Morton, J. (1968). Considerations of grammar and computation in language behaviour. In: Catford, J.C. (Ed). *Studies in Language and Language Behaviour*, CRLLB Progress Report No. VI, University of Michigan, 499-545.
- Morton, J. (1968). Repeated items and decay in memory, *Psychonomic Science*, **10**, 219-220.
- Morton, J. (1968). Selective interference in immediate recall, *Psychonomic Science*, **12**, 75-76.
- Morton, J. (1968). A retest of the response-bias explanation of the word-frequency effect. *British Journal of Mathematical and Statistical Psychology*, **21**, 21-33.
- Crowder, R.G. & Morton, J. (1969). Precategorical acoustic storage (PAS). *Perception & Psychophysics*, **5**, 365-373

- Garner, W.R. & Morton, J. (1969). Perceptual independence: Definitions, models and experimental paradigms. *Psychological Bulletin*, **72**, 233-259.
- Morton, J. (1969). Interaction of information in word recognition. *Psychological Review*, **76**, 165-178.
- Morton, J. (1969). The use of correlated stimulus information in card sorting. *Perception and Psychophysics*, **5**, 374-376.
- Morton, J. (1969). Categories of interference: Verbal mediation and conflict in card sorting. *British Journal of Psychology*, **60**, 329-346.
- Morton, J. (1969). The modality of post-stimulus cueing of recall order in memory span. *Psychonomic Science*, **17**, 224.
