

Curriculum Vitae Professor Dr. Georg Wick

Name: Georg Wick
Born: 28. April 1939
Family Status: married

Academic and Professional Career

- 2008 Professor Emeritus, Head: Laboratory of Autoimmunity, Biocenter, Innsbruck Medical University (MUI), Austria
- 1975 - 2007 Professor and Chairman, Division of Experimental Pathophysiology and Immunology (formerly Institute of Pathophysiology), Biocenter, MUI, Austria
- 2003 - 2005 President of the Austrian Science Fund (Wissenschaftsfonds-FWF)
- 1991 - 2003 Founder and Director, Institute for Biomedical Aging Research of the Austrian Academy of Sciences, Innsbruck, Austria
- 1974 Full Professor of Immunopathology, Vienna, Austria
- 1971 Professor for General and Exp. Pathology (Immunopathology), Vienna, Austria
- 1967 - 1970 Center for Immunology, State University of New York at Buffalo, USA
- 1967 Training in Internal Medicine, Floridsdorf Hospital, Vienna, Austria
- 1966 Postdoctoral Fellow, Institute for Hygiene and Preventive Medicine, Department of

Virology, University of Vienna, Medical School, Austria

1965 - 1966 Postdoctoral Fellow, Institute of General and Experimental Pathology, University of Vienna, Medical School, Austria

1958 - 1964 Tutor, Medical School, University of Vienna, Institutes for Medical Physics, Anatomy and Pathological Anatomy, Austria

1958 - 1964 University of Vienna, Austria, MD

Project coordination, Membership in collaborative research projects (Selection)

2011 / 2012 EU FP-7: TOLERAGE - Normalisation of immune reactivity in old age – from basic mechanisms to clinical application

2011 / 2012 Austrian Science Fund (FWF): Immunity to HSP60 in early atherosclerosis

2011 / 2012 EU FP-7: ECIBUG - European Initiative to Fight Chlamydial Infections by Unibased Genomics

2011 / 2012 Propter Homines Foundation, FL (Molecular Imaging of Atherosclerosis)

2011 / 2012 Lore and Udo Saldow Fund, Vienna (Fibrotic Side Effects of Silicone Implants)

Functions in Scientific Societies and Committees (Selection)

2003 - 2005 President, Austrian Science Fund (Wissenschaftsfonds-FWF)

Honours and Awarded Memberships (Selection)

2008 AESKU-Prize for Life Contribution to Autoimmunity, Porto

2008 Erwin-Schrödinger Prize of the Austrian Academy of Sciences

since 2006 German National Academy of Sciences Leopoldina

2006 Vienna Award for Humanistic Aging-Research, Austria

2006 Austrian Order of Merit for Science and Art

- 2004 Karl Landsteiner Medal of the Austrian Society of Allergology and Immunology (ÖGAI),
Vienna, Austria
- 2002 Douglas C. Powers Award for Excellence in Aging and Vaccine Research, Washington DC,
USA
- 1994 Austrian Scientist of the Year
- 1994 Award of the Austrian Foundation of the Prevention of Stroke
- since 1993 Academia Europaea
- 1993 Clemens von Pirquet Special Visiting Professor of the University of California at Davis,
USA
- since 1990 Royal College of Pathologists - Fellow (FRCPath)
- 1988 The 18th Annual Ernest Witebsky Memorial Lecture at the Ernest Witebsky Center for
Immunology and The Department of Microbiology, Buffalo, USA
- 1987 Award for Experimental Animal Research, Faculty Research Grant (FRG)
- since 1986 Gesellschaft der Ärzte, Vienna, Corresponding member
- 1986 Science Award of the State of Tyrol, Austria
- 1983 Corresponding Member Austrian Society for Respiratory Diseases and Tuberculosis
- 1981 Basedow Award of the German Society for Endocrinology
- 1975 Nestlé-Alete award of the Austrian Society for Pediatrics
- 1976 Austrotransplant Award

Major Scientific Interests

The Laboratory of Autoimmunity (LAI) at the Medical University of Innsbruck (Head: Georg Wick) presently works on two major areas, viz.

(a) The Immunology of Atherosclerosis

(b) The Immunology of Fibrosis

Details can be found on the Homepage, via the following link:

www.autoimmunity.at

In addition, Georg Wick is running a specialized diagnostic laboratory offering expertise in the fields of Clinical Immunology, Allergology and Endocrinology.
